Dear Friends of BCA:

Welcome! We are excited for this opportunity to serve you and our area homeschool families by providing several fun, educational opportunities for you to participate in!

**Weekly Field Trips** - We have scheduled weekly field trips each Wednesday afternoon beginning at 12:45pm. We ask that you sign up 1 week or more in advance for any (or all) field trips you are interested in attending - it will help us in the planning...

We also invite you to come on those days to eat your lunch with us - Lunch Hour begins at 12 noon with a time of free play thereafter.

Adventure packs are available to our Friends of BCA kiddos for \$7.00 each. These include a drawstring backpack, nature journal, hat, magnifying glass, compass, tweezers, specimen jar and colored pencils.

**Weekly Special Classes** - Spanish (Monday, 1:20-2:05pm), Art (Tuesday, 1:20-2:05pm), Music (Thursday, 1:20-2:05pm) and P.E. (Mon., Tues., Thurs., 2:30-3pm) are those special classes we also have available to our FoBCA families.

Because Spanish and Music lessons build one upon another, we ask that you commit to the school year (or even try it out for a month or two to see if it fits well within the family schedule and pull out if need be).

Art and PE classes are more fluid, and we ask you to let us know if you will be attending on a weekly (or monthly?) basis.

**Monthly Workshops** - We are very excited about our monthly hands-on workshops! Again we ask that you sign up 1 week or more in advance of those workshops you are interested in attending.

Like our Field Trips, Workshops begin at 12:45pm, and you are invited to eat lunch with us beforehand at 12 noon, with a time of free play before the workshop begins.

We at Benzie Christian Academy are excited for this school year, and especially to offer a place of fellowship, community and support to our Benzie Area Homeschool Families!

We look forward to getting to know your family!

In His Grace

BCA Staff ~ Rachael, Heather, and Wendy
